- Duration: From January to October 2009
- Final report submitted to the EC on 26/10/2009
- Comments & Feedback – revised version
- Official publication of the report by the end of the year (EN/FR)

Brussels, 19/20 November 2009 Aurélien Favre www.eose.org

OBJECTIVES OF THE STUDY

- Objectives:
 - To chart the situation regarding sports agents in the EU
 - To identify, analyse and describe the problems posed by their activities
 - To identify and analyse the solutions provided by public and/or private stakeholders
- Coverage: the 27 EU Member States & all sport activities

→ European Commission to use the results of the study to assess whether intervention is required, and if so, at what level and in what form.
